Dear parents and caregivers

Yesterday the Prime Minister announced that Auckland would go into Alert level 3 from Sunday evening at 11:59pm until Wednesday evening at 11:59pm, and that the rest of the country would enter into Level 2 for the same time.

As a school, we managed very well under Alert level 2 previously. School will remain open with students expected to attend. Hillcrest High School is a safe place and we will take the following steps to ensure it remains safe.

- Maintain high hygiene standards, with hand washing or sanitising and cleaning common surfaces
- If you are unwell, please stay at home. If you have symptoms in line with COVID please get a test.
- Please keep visitors to school to a minimum. If you do need to visit the school, please ensure you sign in and use the NZ COVID tracer app.

Although schools are exempt from social distancing and public gathering limits, we will be reviewing immediate school events, for instance next Tuesday's athletics sports.

We will keep you informed of developments.

Ngaa mihi

Kelvin Whiting  
Principal
